

Fundraising Event at the Annual Christmas market of Rodborough School

This year, once again, the Islamabad Lajna had the opportunity to hold a successful 'Asian Food Stall' as well as a 'Henna or Mehndi Stall' to raise fund for Humanity First at Rodborough school on the 24th November 2011.

Gift hamper given to the school on behalf of Lajna Islamabad.

A team of fifteen Lajna members were involved in organising this event.

As usual we had a meeting with our Local Amila Members to decide about the menu and the allocation of duties and responsibilities. Alhamdulillah, all the preparations went on very smoothly and all the Lajna who were involved did a brilliant job. The menu was as follows:

Rice

Dholl (lentils)

Chicken Korma

Mix Vegetables

Chicken Biryani

Pakoras

Samoosa

Yoghurt & Mint Chutney

Once at school, we were given a warm welcome by the organisers of the event. We were very delighted that the organisers granted us the privilege to hold our stalls on the stage. A team of eight Lajna members were involved in setting up the two stalls as well as giving duties. Furthermore, we displayed some

Humanity First posters highlighting its various projects, and we even distributed some pamphlets.

It was an ideal opportunity and indeed a great joy to introduce our community to others and the work

of Humanity First was appreciated.

Both our Food Stall as well as our Henna Stall ran successfully, raising an amount of £503.
