

Tehrik-e-Jadid & Waqf-e-Jadid

Lajna Imaillah UK

Guidelines & Programme

2013-2014

Achieving maximum success

- Convey the message of TJ/WJ to everyone in your branch.
- Make aims and objectives of Tehrik-e-Jadid and Waqf-e-Jadid schemes known to all Lajna and Nasirat members. For this purpose, read the articles in meetings.
- Give wide publicity to the demands of Tehrik-e-Jadid and Waqf-e-Jadid. Motivate the members to practice them in their daily life.

Achieving maximum success

- Keep the members informed of the world - wide activities and achievements of Tehrik-e-Jadid.
- Convey the directions of Huzoor and the centre regarding Tehrik-e-Jadid and Waqf-e-Jadid to all Lajna and Nasirat members.
- Listen to the Friday Sermons of Hazrat Khalifa tul Masih V, when Huzoor announced the new year of Tehrik-e-Jadid and Waqf-e-Jadid. They are very important. Please make sure that all members listen to these sermons.

Achieving maximum success

Focus special attention on the young earning members of Lajna and New Ahmadis. Introduce the schemes to them and motivate them to sacrifice for these Blessed Schemes.

Urge the descendants of the deceased Mujahidin of 'Dafter Awwal' and Daftar Doem Tehrik-e-Jadid to continue their Chanda on behalf of their elders to keep alive for ever the memory of sacrifices offered by those great people.

Ensure that the collection of W/J is completed before the Christmas Holidays.

Achieving maximum success

Organize to celebrate T/J & W/J day or week in **each quarter or at least twice a year**, once to receive promises, and once again to expedite collections. If you need any help, please call us.

Arrange in your branch, some programme about Tehrik-e-Jadid & Waqf-e-Jadid, and invite centre to participate in programme.

Promises

Send to Secretary T/J & W/J Lajna UK 'List of Promises' for both schemes By 20th February 2014.

Please pay full concentration to achieve the 'Promises' in the beginning of the year and then collect payments throughout the year. Do not leave the work for the last month.

Regarding promises, remind members that a believer's aim should always be to spiritually progress. Therefore every promise should be increased from the previous year's promise, even though the increased amount might be in pennies.
