Hadhrat Khalifat-ul-Masih V^{uba} Friday Sermon, 10 February 2017

“While people in the West have forgotten religion and are craving after material things, poor people in far off areas are offering anguished prayers that God may send someone to show them the true path. As a result of their prayer, servants of the Promised Messiah (a.s) reach those areas and teach them the true Islām. Today only those who believe in the Promised Messiah (a.s) can teach true Islām. It is the duty of each one of us to strive and pray in order to spread the message of Islām to the whole world and to

Hadhrat Khalifat-ul-Masih V^{uba}, Friday Sermon, 10 February 2017

“*Superficial Bai'at is of no use. True Bai'at means that the relationship established through Bai'at should be strengthened with love and devotion, and that the path of the leader should be followed.*”

Hadhrat Khalifat-ul-Masih V^{uba} Friday Sermon, 13 January 2017

“I wish to particularly address the Muslims living in the developed world and generally the Ahmadi Muslims living in every part of the world that they should strive to reach the pinnacle of loyalty to their country making sacrifices for it and contributing the best they can towards its progress and prosperity. When this happens, the mouths of satanic forces will themselves become shut, for they will realize that Muslims are true supporters of their country and nation.”

Gulshane Waqfe Nau Nasirat Class with Hadhrat Khalifat-ul-Masih V^{uba}, 22 January 2017

“A person wrote and asked- ‘How will the Ahmadiyya Jama’at spread when World War III takes place, what will happen to Muslims after that?’ It is a matter of grave concern. I replied that, the destruction will take place but after that, people will return to faith...people will be in search of God Almighty. God promises, and we are a witness to this slowly being fulfilled, that it is only the Ahmadiyya Community that will bring people to God Almighty. So my fear is not at what will happen after this destruction, and what will happen to the people. But I fear that, we as members of the Jama’at Ahmadiyya- are we capable enough to look after and provide these people with the correct training? Only if our own training is good can we explain to other people the way of God. Will the members of the Jama’at be trained enough, will we have a strong enough connection with God Almighty to explain to those people the way of God?”

Hadhrat Khalifat-ul-Masih V^{uba} address at Inauguration of Baitul Ehsan Mosque, Mitcham, 7 January 2017

“As a result of building this Mosque, the local community will become more aware of the Ahmadiyya Muslim Community. Hence, the local Ahmadi Muslims must fulfil the rights of their neighbours and inform the local people about the true peaceful teachings of Islam so that any fears or misconceptions that they may hold about Islam are removed.
