

# Oh Allah

Oh Allah, I prayed to You I am in a lot of difficulties in my  
life

You said, Al Wali. 'Whoever fears Allah, He will make his  
difficulties easier.'

I begged You my Allah, I need hope.  
My Al Nur, You said: 'With hardship will be ease.'

I cried in pain.  
Ar Rahman, Ar Rahim, You said, 'don't despair I will heal  
your pain.'

I whispered in silence, 'Oh Allah, nobody knows what's in  
my heart.  
Oh Bashir Al Alim, You replied: 'I know every corner of  
your heart'.

I bowed my head in Sajdah and said I am a sinner.  
Oh Al Ghafoor, You said 'Who can forgive your sins except  
Allah?'

I was in fear and asked you, 'don't leave me alone'.  
Oh Allah, my Al Wadud You said, 'remember Me and I will'.
