PEARLS OF WISDOM

“The pledge I want you to take is that if there is any Ahmadi in your village or town, who is not taking part in Tahrik-e-Jadid, you should try to include them [and continue to do so] until there remains not a single Ahmadi who does not take part in Tahrik-e-Jadid...”

Tahrik-e-Jadid

November is the start of the Tahrik-e-Jadid financial year, but what is Tahrik-e-Jadid and why is it so important that everyone contributes?

Tahrik-e-Jadid is one of the monetary schemes initiated in 1934, by Hazrat Mirza Bashiruddin Mahmood Ahmad^(may Allah be pleased with him), the Second Caliph of the Ahmadiyya Muslim Community.

The purpose of launching such a scheme was to **“...acquire such a fund with which Allah’s message (Islam) can be delivered as far as the corners of the earth with ease and facility”**. (Friday Sermon 27th November 1942)

On the importance of contributing toward Tahrik-e-Jadid, Beloved Huzur^(aba) said;

“Those who have joined Ahmadiyyat in the past few years but have not yet joined Tahrik-e-Jadid should be included...As I have said earlier, such new Ahmadis need to be told that it is essential to make financial sacrifices, and also that, even the message of Ahmadiyyat which reached them, actually, was the result of sacrifices that people made for Tahrik-e-Jadid.”
