# HELP THE HOMELESS

The Holy Prophet ﷺ said :  
'He is not a believer whose stomach is filled  
while his neighbour is hungry'

Sahih Bukhari

**Description:** During the cold months of November, December 2022 & January 2023, Lajna will be supporting the homeless within their local communities.

**How to implement this:**

Secretaries are to contact charities which support local homeless and find out what help and support they require. Devise a 'plan of action' to be implemented over the next 3 months with the help of local lajna, Nasirat and Umoor-e-Talibaat.

Local majalis can support multiple homeless charities during these 3 months.

**What help can be offered:**

- Lajna can help cook food for the homeless
- Donate food item to local homeless shelters, but please ask them what they need first as they may be restricted to what they can accept (usually due to food safety rules)
- Donate essential items in new or nearly condition i.e. Jackets, jumpers, socks, blankets, sleeping bags, winter shoes etc.
- Monetary donations can be given to charities if there is no option to offer cooked food or donate essential items (mentioned above) for the homeless

**\*\*Note: Local fundraising can be done to cover the cost of the above activities**

You can find local homeless charities by contacting the local council or searching on the internet

**How to report your work in the Khidmat-e-Khalq report form:**

**Please mention the following details in the monthly target column:**

- Mention name of the charity supported
- Mention number of meals cooked and/or donated/distributed
- Mention number of Lajna, student Lajna and Nasirat who helped with homeless feeding
- If money is donated then mention name of charity, amount donated and number of Lajna, Student Lajna and Nasirat who participated
