*'And when My servants ask thee about Me, say: 'I am near. I answer the prayer of the supplicant when he prays to Me. So they should hearken to Me and believe in Me, that they may follow the right way.'*

Surah Al Baqarah v 187

EID MUBARAK 10<sup>th</sup> April 2024

**The Tarbiyat Nau Mubai'at Department would like to wish everyone Eid Mubarak.**

The Eid prayer is *Sunnat-e-Mu'akidah* (a practice that the Prophet<sup>(sa)</sup> told us to follow). Everyone should come for Eid prayer. Even women having their period should also come to the mosque, but they should not take part in the prayer and instead, occupy themselves in the remembrance of Allah.

## **Eid ul Fitr**—"the feast of breaking the fast."

Highlighting the importance and spirit of Eid, Hazrat Mirza Masroor Ahmad, Khalifatul Masih V<sup>(oa)</sup> states:

*"Today, young and old, men and women have gathered together because this day holds great significance. Islam has decreed the day of Eid as a day of happiness in which Muslims should join together with their loved ones..."*

*"Today, if Ahmadi Muslims wish to celebrate Eid in the true sense, then where they seek to attain the blessings of true Eid by bringing about a moral reformation, they should also make every effort to free the world from injustices and should engage fervently in prayer to free the Muslim world from the disorder and troubles it is engulfed in."*
