“And always consider it a great favour of Allah the Almighty that you are amongst those fortunate people who, in fulfilment of the promise of Allah the Almighty, are united at one hand under the shade of Khilafat-e-Ahmadiyya.”

[Good habits must not come and go like the wind but be permanent features of our lives: Huzoor addresses Lajna and Nasirat UK Ijtema 2024 \(ahkam.org\)](https://www.ahkam.org)

Highlights from address delivered by Beloved Huzur

- *“Thus, Ahmadi women and girls should always maintain appropriate boundaries with men so that their modesty and dignity is never compromised or questions.*
- *“At all times, be mindful that attaining God’s grace and pleasure is the principle objective of a believer. Thus, every Ahmadi man and woman should strive to preserve their chastity at all costs.*
- *Your target should be to excel in righteousness and godness purely for the sake of attaining God’s pleasure.*
- *“Strive to increase your religious knowledge and understanding and remain constantly focused on the moral upbringing and futures of your children, ensuring that they learn the best morals and develop a sincere love for their faith.*
- *“Always remember that our mission is to create a pure and righteous society that will be a means of peace and security for the world and filled with love and compassion.*
- *“Thus, if the Lajna tarbiyat department makes a concerted effort to encourage Lajna and Nasirat about the immense value of **truthfulness**, it can spark a profound spiritual and moral transformation. In fact, I believe that if all Lajna members cultivate the habit of speaking and acting honestly, more than half the weaknesses and shortcomings that exist personally or collectively will be eradicated.”*
