NAU MUBAI'AT ONLINE CLASSES

“In front of all Ahmadi women is the example of Hazrat Aishah (ra), who, in terms of religious knowledge, attained a rank far beyond the men of her time or, indeed, any other era. Accordingly, women have the potential to scale the greatest intellectual heights, and so you must never underestimate yourselves. Rather, seek to fulfil your rich potential as it will provide you with the capability to raise your children in a way that they grow to be beneficial to society. It will also enable you to defend your faith and beliefs. “
