Allah Taala's Attribute of **As-Shafi** reminds us that it is God Who is The Healer and Who has the Power to grant health.

As you re-listen to the Friday Sermon of Beloved Huzur (aba) on the attribute of As-Shafi and reflect on its meaning, consider the following question:

- How does recognising Allah Taala as As-Shafi influence how we seek healing, both spiritually and physically?

3. IQAMATUS SALAT - TA'LIM WORKSHOP

This month we reflect on some of the guidance of Hadrat Khalifatul Masih V (aba) in regards to Salat.

Beloved Huzur (aba) explains the importance of safeguarding Salat, the importance of self-assessment in Salat and Salat and work, especially the significance of being watchful over the middle prayer. Further, we are reminded of the joy and comfort in prayers.

As you read and reflect on each of the extracts included in the Ta'lim Syllabus for this term, discuss how we can instil the love of Salat within ourselves and in our children.

4. MALFUZAT - SELF STUDY

‘WORDLY ACHIEVEMENTS AND JOYS ARE NOT EVERLASTING’

The Promised Messiah (as) explained three types of joy mentioned in the Holy Quran, however these joys do not last forever as worldly achievements are never free from trials. For a true believer, worldly success becomes a means of increasing them in their understanding of God, which is where true happiness lies.

- What does this extract from the writings of the Promised Messiah (as) remind us about the importance of gratitude to Allah Taala?
