Purpose of Ijtema

“The purpose of these Ijtemas is to enable members to benefit from the educational and spiritual programmes and speeches and to rid themselves of any shortcomings they may have. Also, the younger and older girls may participate in various educational competition to improve their knowledge and sharpen their spiritual capabilities. These gatherings provide an atmosphere that promotes discussion and identification of ways and means of self-improvement.

“Any society whose young girls and ladies gather in one place with the intention of spending their time in a purely spiritual atmosphere and engage in activities for self-improvement, the future generations of that society are safeguarded, also it does not suffer from a decline.

And today, if there are any women who get together purely for the sake of Allah, they are Ahmadi women.

“Therefore, always keep your status in mind. Make the most of the spiritual food that you have enjoyed in this gathering, for your life depends on it. The life of your future generations depends on it. The life and honour of your families depends on it.”
