- What examples has the Promised Messiah (as) provided us on how Salat should be offered and how should one supplicate in Salat?

The Promised Messiah (as) states that in Surah Al Asr, Allah Taala has presented an illustration of the lives of both disbelievers and believers.

5. CONDITIONS OF BAI'AT (Taleem Workshop)

As we continue our study of the Ten Conditions of Bai'at, this month we will reflect on:

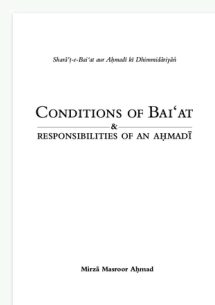

Condition 4: That under the impulse of any passions, he/she shall cause no harm whatsoever to the creatures of Allah in general, and Muslims in particular, neither by his/her tongue nor by his/her hands nor by any Other means.

ACTIVITY:

As we reflect on this Condition, what do we learn about the importance of self-control, compassion and practising forgiveness, even towards those who may purposely hurt or anger us? Reflect on some of the examples from the life of the Holy Prophet (saw) where he (saw) showed compassion and kindness of the highest degree towards all of Allah's creatures? How can we strive to emulate such qualities within ourselves?
